Uses acronyms w/o prior explanation in the chapter. Material is very dense...it's geared more towards experts in the field, I'd say.

This is a book that tries to master the whole field of sex therapy, and does it, well too. Scholar, practitioner, Feminist, QTBH-activist alike will all be able to read this book with satisfaction.

Excellent book. It was required for one of my classes for my master degree. It is full of great information to help you become more of a competent counselor.

Easy read and very helpful for learning
