Customer Reviews

This book you need to zoom in. The format does not work on the kindle and you can see where they cut and paste a lot of the images. Very choppy for some thing that was published. Not many characters in it as well. Over all bad. But for a \$1 I gave it a shot

Horrible short and not detailed at all DO NOT WASTE YOUR MONEY this is terrible and a space waster ^ç DO NOT BUY

What is there is ok but there is very little there. Mostly a repeat of stuff in all the other "books" of this kind.

wasted my money

This is a good book for learning new techniques, great for beginners like me. Thanks!.
