Horny Nerds!

Synopsis

Here we come again! Sex Pictures of 100% British Adult Amateur Content! Brit Girls are Shy but Horny! There's some really sweet tits here! Perfect Content identified, and stroke a deal with, a talented young bloke from England who seems to have nothing to do but pick up horny nerds in the streets and make them pose for his equally horny lens. We love this as much as we love pussy..And here comes the collection: This sex pictures book - for adults only - contains SIX photo sets from private photography sessions with college girls, full nudity, all exposed. Chek the "Look Inside" preview for the details ... Oh yeah, he's a master of exposure making these amateurs showing off their female goods! Can we call them models? Yes and no, she has never modeled before, which gives these pics a fresh look that is typically not seen in professional photography. Great guy, great girls. Watch out for more of these books - we keep them coming ...! We can not offer our books for less than their current price, as we are honest and pay the photographers for the content they produce! In a marketplace where it is being proven over and over again that tons of stolen material is being offered for more than the price of this ebook! Quality content sells well :-) And it sells long term if it is authorized by the genuine author and backed up by US Code 2257 compliant model releases. We publish content that is not seen elsewhere, legal content, nothing that is "borrowed" :-) Hence, we do not run into trouble with the DMCA agency (Digital Millennium Copyright Act). There is not what some publishers or self-proclaimed "authors" like to declare "public domain content", at least not in the adult industry!
